The Franklin Regional Transit Authority (FRTA) will be hosting a series of meetings to allow you an opportunity to comment on proposed fixed route changes for July 1, 2017. With the uncertainty of budget cuts for FY18, we are trying to create efficiencies within our existing service which may lead to deviations and/or reductions in stops and times along our routes. Discussion will take place on what future weekend service should look like if we are successful in obtaining earmark funds for partial Saturday service.

Meetings will be held on the following days:

April 12, 2017 3:30 pm - 5:00pm	Orange Armory, Orange, MA
April 18, 2017 2:00pm - 4:00pm	Discovery Center, Turners Falls, MA
April 19, 2017 12:30pm - 2:30pm	JWO Transit Center, Greenfield, MA
