

What is a GO-CARD?

A GO-CARD is a reusable, reloadable, smart card you can use to ride the FRTA transit system. FRTA has a 31-consecutive day, unlimited ride pass as well as stored value bus tickets. Each time you ride your fare will be deducted from the card and GO-CARDS can be reloaded.

For example, \$40 loaded onto a GO-CARD can be used for 31 consecutive days of travel. The “time clock” starts the first time you use the card on the bus and is good for 31 days from the date of purchase.

The GO-CARD is also your transfer between routes.

You add value to the card with either cash, credit card or debit card.

Each time you ride a FRTA bus, you simply tap your loaded GO-CARD on the farebox and ride!
